Harvest Notes

The 2016 harvest will be known for the intense rains in March and April. Luckily our vines were not impacted by the storms and harvested prior. All wines are going to be some of the best we've produced with amazing acidity due to the cool spring and summer. Overall our white and rose wines, are very fruit forward and expressive.

Tasting Notes

A delicate pale gold. On the nose, aromas of lemon, fresh pineapple with hints of lavender. It is a bright well balanced wine with a clean minerality and touch of lime on the finish.
