LAPLAYA®

VIOGNIER CHARDONNAY

PURE VARIETAL CHARACTER SHINES THROUGH.

This clean refreshing, well-balanced wine, comprised of only Colchagua Valley whites (85% Viognier and 15% Chardonnay), showcases each of our sustainably farmed white varieties together in one authentic blend.

COLCHAGUA VALLEY, CHILE

The 2015 harvest will be known for the intense highs and lows in March. Our vines produced completely ripe fruit with amazing acidity due to the warmer harvest. Overall our white and rose wines, are very fruit forward and expressive.

TASTING NOTES

A deep golden color. On the nose, floral and honey aromas. It is a clean fuller bodied white wine, with apricots and stone fruit on the finish.
